SECTION A: MEMBERSHIP TERMS OF SERVICE

1. MEMBERSHIP SERVICE DESCRIPTION

As a Member of the NX Rewards Programme NE grants you the right to: earn cashback; purchase discounted Gift Cards and Gift Vouchers ("Gift Cards"); and to earn, or receive other benefits. Collectively, the right to participate in the NX Rewards Programme and the right to earn and receive cashback and other benefits is referred to as the NX Rewards Membership Service ("NX Rewards Membership Service"). The specific benefits of the NX Rewards Membership Service are always subject to availability and change. The Member should check the Website or contact the Customer Service team (see contact information above) in order to check whether a particular benefit is available at a given time.

2. YOUR ELIGIBILITY

In order to receive the NX Rewards Membership Service and to qualify for any benefits associated with the NX Rewards Membership Service, Member must be 18 years or older, a resident of the United Kingdom with a UK registered credit or debit card and a UK bank account/IBAN. NE reserves the right, at its sole discretion, to refuse any person from becoming a Member. Members may join the NX Rewards Programme via National Express.

Any individual may only hold one Membership in the NX Rewards Programme at a time. Member agrees that the NX Rewards Membership Service may only be used for his/her own personal benefit. Membership of the NX Rewards Programme is not transferable. If a Member has more than one NE membership and/or a Member fails to comply with any provision of this Agreement, NE reserves the right to terminate all memberships and in such case any accrued benefits and/or cashback earned in respect of all the cancelled memberships, but not paid at the date of termination, will be forfeited.

The bank account details/IBAN you provide to receive your benefit must only be used by you. If your bank account number/IBAN is being used by another Member, the Membership which was created later will be terminated and any accrued benefits not paid at the time of termination will be forfeited. If NE suspect these accounts have been created for misuse or fraudulent activity, NE reserves the right to terminate all accounts using the same bank account number/IBAN and any accrued benefits not paid at the time of termination will be forfeited.

Members must be a living individual; no machines, scripts or automated services may be used to accumulate financial benefits derived from Membership and use of the NX Rewards Programme.

3. MEMBERSHIP AND USE

Provided that the Member complies with the requirements set out in these Terms of Service, NE agrees to provide the NX Rewards Membership Service to the Member for the term of this Agreement. NE will endeavour to make the Website available 24 hours a day, 7 days a week.

However, there may be times when NE is unable to make the Website available for technical, operational reasons, such as scheduled maintenance shutdowns, or for other commercial reasons. Any printed material and software provided by NE to the Member is the exclusive property of NE.

Members are required to use the NX Rewards Membership Service in accordance with these Terms of Service and in an honest and ethical manner.

Member is responsible for his or her use of the NX Rewards Membership Service and must promptly notify NE of any unauthorised use of the NX Rewards Membership Service. Member agrees not to publish, retransmit, broadcast or otherwise reproduce in any medium any information or software that is made available to Member other than for the purpose of receiving the NX Rewards Membership Service.

To gain access to the Website Members must have Internet access, an email address, a user name and a password. Member agrees to keep Member's user name and password private so that they cannot be used by any other person. NE will not be liable for any damages, losses or expenses suffered by Member or any third party as a result of any unauthorised person gaining access to any of the "Member only" areas of the Website where NE is not at fault.

We would like to draw your attention on the fact that, as part of the NX Rewards Membership Service, we may use the services of financial institutions or bank's subcontractors, subject to legal reporting requirements. In such circumstances these financial institutions or bank's subcontractors may carry out identity checks before any financial transaction is processed, including whenever we would process the payment of your benefits. Any information, which is processed by way of transfer to said financial institutions or bank's subcontractors, is intended for their use only and for this specified purpose only.

We may ask you to provide us with a copy of your proof of identity (ID/passport) as well as some additional information such as date and place of birth, address, phone number and UK bank statement. We inform you that your failure or refusal to provide the information requested will prevent us from providing the benefits of the membership and may result in the termination of your membership. There may also be some delay to us commencing delivering of your benefits to you as a result of these checks.

4. MEMBERSHIP FEE

The Membership fee (the "Membership Fee"), as notified during the enrolment process and confirmed to Member in the Membership Pack and in monthly email communications from NE, will be charged on a monthly basis (unless set out otherwise during the enrolment process). Payment of the Membership Fee will entitle Member to continue his or her Membership of the NX Rewards Programme and to receive the NX Rewards Membership Service. The Membership Fee will be billed automatically to Member's credit or debit card (each a "Billing Device") unless the agreement is cancelled or terminated by Member or NE. NE may from time to time change the Membership Fee and will give you at least 30 days advance notice before doing so. In the event of any such change your attention is drawn to your general right of termination as set out below.

The Membership Fee is inclusive of VAT.

5. TERM

This Agreement shall enter into force on the effective date of the Member's membership in the NX Rewards Programme, for an initial period of thirty (30) days ("Initial Period"), unless otherwise limited on the subscription pages. Member expressly agrees on enrolling into the NX Rewards Programme to receive the benefits of the Programme immediately.

Depending on what is mentioned on the subscription pages of the NX Rewards Membership Service (and confirmed thereafter in the Membership Pack), the Member may (or may not) be required to pay a monthly Membership Fee.

- If the Initial Period is free: Member has the right to cancel the Agreement at any time up until 30 days from the start date of this Agreement without giving a reason or paying any Membership Fees (this Initial Period includes the legal right to cancel the Agreement at any time up until 14 days from the start date of this Agreement (the cooling off period) without giving a reason or paying any fees). A cancellation form is provided at the end of these Terms of Service and can be downloaded by clicking here.
- If the Initial Period is not free: Member has the legal right to cancel the Agreement at any time up until 14 days from the start date of this Agreement (the cooling off period) without giving a reason and will be entitled to a refund of any fees paid. On the expiry of 14 days, Member can still cancel the Agreement during the Initial Period but will not be entitled to a refund of his first Membership Fee paid.
- After the Initial Period, this Agreement will be automatically renewed for successive periods equal to the Initial Period (i.e. 30 days) - and a monthly Membership Fee shall be paid by the Member in respect of each 30 day period unless;
 - i. the Member has exercised his legal right of cancellation within fourteen (14) days (the cooling off period) or any relevant trial period, and /or
 - ii. If the Initial Period is free, the Member has exercised his right of cancellation within this Initial Period and /or
 - iii. National Express has informed him of its intention not to renew the contract when due, and /or
 - iv. the membership was terminated earlier, in accordance with the Termination section.

The Agreement shall terminate on the last day of the Initial Period or relevant 30 day period during which either party terminates the Agreement, except as set out in the Termination section.

6. CANCELLATION AND TERMINATION

6.1 CANCELLATION OR TERMINATION BY THE MEMBER

You can cancel your membership at any and time without having to justify the reason by notifying NE in the following ways:

- **Online** via the online cancellation service (available through the **Profile** area of the Website when You are logged in).
- **By email:** at customerservice@nxrewards.com
- **By calling** our Customer Service Representatives on the phone numbers set out in the page "**Contact us**" (Monday to Friday 8am-8pm, and Saturday 9am- 4pm).
- **In writing** you can either write to NE or download and send the cancellation form featured at the end of these Membership Terms and send this to: NX Rewards, Sentinel House, Airspeed Road, Portsmouth, Hampshire, PO3 5RF

A Member who terminates his membership shall have the right to use and receive all the benefits of the NX Rewards Membership Service for the rest of the current 30-day period. At the end of the said period, the termination will take effect and the Member will no longer have access to the NX Rewards Membership Service, nor any obligation to pay any further Membership Fee.

6.2 TERMINATION BY NE

NE has the right to terminate the membership of a Member at any time and for any reason on thirty (30) days written notice and in this case NE shall reimburse the member the Membership Fee for the current 30 day period, prorated for the portion of the remaining period as the case may be. The Member shall immediately cease using or receiving all the benefits of the NX Rewards Membership Service as from the effective date of termination. The notification will be sent to the email address provided by the Member. NE will not be responsible for any non-receipt of notice by Member where such failure is caused by any reason outside the reasonable control of NE, including, but not limited to non-receipt due to: an error in your email address, an inaccurate email address; your failure to check your email online; your failure to inform NE of a change in your email address; or a failure of the Internet.

In addition, NE has the right to immediately terminate this Agreement for breach by the Member of its obligations under this Agreement. NE also has the right to terminate any membership with immediate effect if: the e-mail address or mailing address provided by the Member is no longer valid; if the Member has provided an invalid payment method when s/he subscribed; or if the means of payment provided by the Member becomes invalid or expires during this Agreement. An invalid payment method would include, for example, a lost or stolen credit card, a bank card that cannot be charged (fenced bank account or bank account where overdraft limit has been reached, for example) or an invalid credit card number.

NE also reserves the right to immediately terminate any membership for any misuse or fraudulent activity, any extraordinary activity which suggests fraudulent use beyond personal and domestic use of the NX Rewards Membership Service, for example and not exhaustively, including, where a trial period for the NX Rewards Membership Service is offered to the Member, if he subscribes several times to the NX Rewards Membership Service and terminates before the end of the trial period, thus benefiting from the service several times without paying a Membership Fee. Similarly, if a Member has made purchases for non-personal use or attempts to obtain benefits through the NX Rewards Membership Service for purchases made by another person or that s/he falsified supporting documents. Additionally, exceptional levels of cancelled orders and/or exceptional levels of returned may be deemed misuse and result in termination of your membership.

In case of immediate termination of this Agreement at the request of NE, NE has the right to immediately terminate the payment of all accrued benefits without any right for the Member to reclaim them or any other compensation. To enable NE to carry out investigations into the validity of any Member activity, Member may be required to provide evidence of identification and/or of Items. Such evidence may include proof of delivery address, Member's address and/or copies of all relevant purchase receipts or such other evidence as NE may reasonably request from time to time.

A cancelling Member may not re-enrol in the National Express Membership Service for at least six (6) months. If any additional memberships are detected during this six month period by way of name and/

or address, email, payment details and/or bank account/IBAN they shall be cancelled and any accrued benefits shall be forfeited.

7. CHANGES TO YOUR AGREEMENT

NE may revise these Membership Terms of Service from time to time. NE will only make changes where NE has a valid reason to do so. Where NE are able to do so, NE will notify you regarding any material changes to the NX Rewards Membership Services, your Agreement or the fees and will give you at least 30 days advance notice before making any such change. In the event of any such changes your attention is drawn to your general right of termination as set out above. NE will notify Member by notice on the Website or by email if revised Membership Terms of Service apply. Members are encouraged to read any revised Membership Terms of Service.

8. LIABILITY

Retailers

NE may be the provider of the NX Rewards Membership Service, but the goods and services purchased ("Items") by Member through the Website of NE are provided directly by third party suppliers (each referred to as "Retailers") to Member and such purchases will be subject to the relevant Retailer's terms and conditions of sale. Member acknowledges that, in such circumstances, NE has no control over the quality, safety or legality of Items advertised by retailers, the truth or accuracy of the listings or the ability of retailers to sell the Items and that orders placed by Members through use of the NX Rewards Membership Service and communicated to Retailers are offers by Members to purchase Items from such retailers. NE cannot and does not control whether or not Retailers will accept such offers or complete the sale of the Items they offer. With respect to Items provided by Retailers, NE will have no liability to Member arising out of: (i) the failure of any participating Retailers of any Items to supply any such Items on the terms offered; (ii) any delay in delivery of any Items, regardless of the cause of such delay, or (iii) any defective or non-conforming Items.

NX Rewards Membership Service & limitation of Liability

NE does not guarantee that Member's access to the Website, or any content on it, will be uninterrupted, timely, secure or error-free. NE may suspend or withdraw or restrict the availability of all or any part of the Website for business and operational reasons. NE will try to give you reasonable notice of any suspension or withdrawal. NE agrees to take reasonable steps to prevent the introduction of viruses or other destructive materials to Website. NE do not guarantee that the Website is entirely free of destructive material and NE excludes all liability in this respect unless (and to the extent) attributable to its breach or negligence.

We are responsible to you for foreseeable loss and damage caused by NE. If we fail to comply with these Terms of Service, we are responsible for loss or damage you suffer that is a foreseeable result of our breaking this Agreement or our failing to use reasonable care and skill, but we are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time the contract was made, both we and you knew it might happen, for example, if you discussed it with us during the sales process.

Subject to the paragraph below, NE's total liability to you in respect of the NX Rewards Membership Service shall be limited to the amount equal to the Membership fees payable by you in any twelve month period under your Agreement.

We do not exclude or limit in any way our liability to you where it would be unlawful to do so. This includes liability for death or personal injury caused by our negligence or the negligence of our employees, agents or subcontractors; for fraud or fraudulent misrepresentation; for breach of your statutory legal rights in relation to this Agreement.

We are not liable for business losses. We only supply the NX Rewards Programme for domestic and private use. If you use your membership for any commercial, business or re-sale purpose, you will be in material breach of these Terms of Service and we will have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.

If NX's supply of the NX Rewards Programme is delayed or prevented by an event outside of NX's control then NX will try and contact you as soon as is reasonably possible to let you know and NX will take steps to minimise the effect of the delay. Provided NX do this NX will not be liable for delays caused by the event, but, in any case, you may contact us to cancel your membership in accordance with clause 6.1 should you wish to do so. Examples of events which are outside of NX's control include (without limitation) war,

terrorism, cyber-attack, invasion, an act of foreign enemy, hostilities (whether war be declared or not), riot, strike, civil commotion, civil war, revolution, insurrection or military or usurped power.

Nothing in these Terms of Service will affect your legal rights. Please refer to your local Citizen's Advice Bureau or local trading standards office for further information about your statutory rights.

Member hereby authorises NE to deliver any and all communications ("Communications"), including but not limited to Membership information, procedures on use of the NX Rewards Membership Service, changes in the NX Rewards Membership Service benefits, and change in the Membership Fee to Member's electronic mail address or postal address at NE's discretion. Member further authorises NE to deliver any Communication by sending in lieu of such Communication (the "Underlying Communication"), a notice that directs Member to a webpage where the Underlying Communication is posted. Member agrees that the sending of a notice of delivery by Web posting shall constitute delivery whether or not Member actually accesses the Underlying Communication via the Web. Member agrees that s/he will not, for any reason, alter any Communication delivered electronically or otherwise. NE does not guarantee Web access; however NE offers Member various ways of communicating with its customer service staff (see Customer Services Contact Information above).

Cashback Rewards

1. An index of the retailers offering cashback via the Website ("Retailers") is provided by NE on the Website. NE is not responsible for changes to, or discontinuance of, any retailer, or any retailer's withdrawal from the NX Rewards Programme, or for any effect on accrual of cashback caused by such changes, discontinuance, or withdrawal. NE is not responsible for changes to, or discontinuance of any special offer or coupon code. It is the Member's responsibility to make sure that all special offers are valid. If you choose to use coupons and specials that not listed on the Retailer landing page, NE cannot guarantee that you will be eligible to receive cashback on your purchases.
2. Subject to the cashback limits set out in on retailer's landing page, you will be credited a percentage of the net purchases made by you at each of the relevant retailers. The net purchase is defined as the total amount paid to the retailer minus tax, gift wrapping, shipping, promotional credits, returns, cancellations, and transaction fees or as the retailer defines on their respective website.
3. As a Member, online and offline purchases made through a retailer will be deemed a "Qualifying Purchase" and will result in the right to earn cashback if and only if all of the following criteria are satisfied:

For offline purchases:

- A) The purchase is made by you at a high street store in the UK of a retailer that is listed on the Website as participating in the Cashback Rewards benefit at the time of the purchase; and
- B) A valid store purchase receipt, together with your name and membership number, is sent by post within 30 days of the purchase to NX Rewards Customer Services, Sentinel House, Airspeed Road, Portsmouth, Hampshire, PO3 5RF, or, you can email a copy of the receipt and your membership details (name and membership number to cashback@nxrewards.com).

For online purchases:

- A) "Cookies", both first and third party (if applicable), must be enabled on your Web browser;
 - B) all potential Qualifying Purchases must begin by clicking on the retailers link that appears on the Website and being successfully connected to the retailer's website based upon that click; and
 - C) all potential Qualifying Purchases do not violate any retailer specific terms set forth on the landing page of that retailer. NE may, at all times, route your request for a retailer website through specific links, in order to assure that the sale can be tracked correctly. Any alteration of these links will invalidate your purchase, which will not be deemed a Qualifying Purchase.
4. There is a maximum eligible cashback amount ("Cashback Maximum") of two hundred and fifty pounds (£250) for all Qualifying Purchases made online in any calendar month during your Membership of the NX Rewards Programme. Any purchases you make from retailers in a calendar month after reaching the Cashback Maximum shall not be deemed a Qualifying Purchase.
 5. Accrued cashback for Qualifying Purchases will be paid via a bank transfer to the bank account number as specified within your details in the 'Profile' section of the NX Rewards website. If no bank account number has been provided, NE will retain such amounts until NE receive this information from you. Cashback is paid within 4 weeks of making a Qualifying Purchase; however, this period may be longer depending on the retailer's validation processes. NE cannot transfer cashback to any bank account number other than that specified in the "Profile" section of the Website.
 6. Cashback awarded to Members is subject to adjustments for returns, cancellations, and other events. NE may apply such adjustments to Members' accounts at any time as NE considers appropriate and at its sole discretion.
 7. It is your responsibility to check your account regularly to ensure that cashback has been properly credited and that your account balance is accurate. If you do not believe that a Qualifying Purchase has been correctly credited to your account, you must wait at least 5 working days after completing a Qualifying Purchase to contact Customer Service as provided on the Website. Furthermore, all cashback earned by Members are subject to review. NE may apply necessary adjustments to Members' accounts at any time. NE reserves the right to terminate any account for abusive or fraudulent activity, for example (without limitation) using fraudulent card details.
 8. If you place more than ten (10) orders or transactions from a single retailer in any single calendar day, any Items contained in orders placed after the tenth order will not be deemed Qualifying Purchases.

9. With regards to Items comprising reservations of hotel rooms, travel, transport and purchases made in instalments, the cost of these Items shall be considered duly paid and therefore a Qualifying Purchase when the whole of the booking has been paid for and the Member has completed his/her stay with the relevant hotel/service provider. The cash back does not therefore apply to payments, deposits, cancellation fees, or any other amounts paid by the Member which does not represent the full payment of the relevant Item purchased. The percentage of cashback offered by each provider to Members, will vary by provider, and will be shown on the Website only, on the pages accessible by Members.
10. Except in circumstances where NE have acted negligently, NE will not be held responsible for changes made by Retailers whether such changes relate to the discontinuance, removal, withdrawal of or interruption to all or any of the retailers services and whether or not such changes affect the payment of cash back. For the avoidance of doubt, only purchases made at retailers when available through the NX Rewards Membership Service will be eligible for cashback.
11. It is your responsibility to keep your Membership account information current in order to facilitate the payment of your cashback. In the event that your information is not current at the time of payment, NE will retain such amounts until you provide valid address information. Please review your details within the My Account link on the Website regularly to ensure they are up to date.
12. No cashback earned or granted as part of the NX Rewards Programme, may be assigned or transferred to any third party except as expressly permitted by NE in writing and/or may be required by law.
13. You authorise NE to disclose to third parties information you have provided, or information that NE has obtained about your account: (i) to agents of NE or its retailers, such as independent auditors, consultants or lawyers or its servicing partners for the proper serving of the NX Rewards Programme; (ii) to comply with government agency or court orders or requests; (iii) in providing aggregated and non-personalised marketing services (i.e. containing no personal data) for an advertising or retailer partner, or (iv) where it is necessary for payments of your cashback. Further, you authorise NE to receive any account information from any Retailer including, but not limited to information regarding the Qualifying Purchase such as the products ordered, the order number, the time and date the Qualifying Purchase occurred, the email address entered for the Qualifying Purchase.
14. NE reserves the right to terminate the Cashback Rewards benefit at any time on thirty (30) days' notice. Notification of termination of Cashback Rewards will be sent to the email address you have provided to NE. NE will not be responsible for failing to notify you of termination of Cashback Rewards where such failure is caused by any reason outside the reasonable control of NE, including: an error in your email address, an inaccurate email address, your failure to check for your email online, your failure to inform NE of a change in your email address or a failure of the Internet.
15.
